Amendment 2
April 11, 1972
SUPERSEDING
Amendment 1
February 15, 1968

AMENDMENT

TO

INTERIM FEDERAL SPECIFICATION

OPENER, LETTER, HAND, METAL

This amendment was developed by the Standardization Division, Federal Supply Service, General Services Administration, Washington, DC 20406, based upon currently available technical information. The General Services Administration has authorized this amendment as a part of Interim Federal Specification GG-O-00588C (GSA-FSS), dated October 11, 1967.

PAGE 2

Paragraph 3.4.2, Line 4: Delete "1/2-inch" and substitute "1/4-inch" for width of slot.

PAGE 3

Insert new paragraph as follows:

3.7 Bid samples. Bid samples, when required by the invitation to bid, shall be submitted for each item offered in the quantities specified in the invitation (see 6.1), and shall be examined and tested as specified in 6.2.

PAGE 4

Paragraph 6.1, Add: (e) Bid samples, if required, and quantity required (see 3.7).

PAGE 5

Paragraph 6.2: Delete text in its entirety and substitute: "When bid samples are required by the invitation to bid, openers shall be tested for Brinnell hardness as specified in 3.1. Openers shall be subjected to the corrosion test as specified in 4.5.1. Openers shall be examined for workmanship as specified in 3.6."
