TIER 1 ADOPTION NOTICE

IEEE 15288.1 “IEEE Standard for Application of Systems Engineering on Defense Programs” was adopted for use by the Department of Defense on 5 June 2015. In 2025 IEEE moved IEEE 15288.1 into inactive status. As such, DoD has adopted the follow-on international standard ISO/IEC/IEEE 24748-7:2019 which contains the same technical content as IEEE 15288.1.

IEEE 15288.1 remains downloadable in ASSIST for continued military and DoD civilian employee access to the technical content comprising ISO/IEC/IEEE 24748-7.

ISO/IEC/IEEE 24748-7 should be cited in lieu of IEEE 15288.1 on all new contracts, documentation, and publications.

Please refer to the ISO/IEC/IEEE 24748-7:2019 adoption notice for further information.
