TIER II ADOPTION NOTICE

SAE AS681K, “Gas Turbine Engine Performance Presentation for Computer Programs,” was adopted on 28APR22 for use by the Department of Defense (DoD). Proposed changes by DoD activities must be submitted to the DoD Adopting Activity at engineering.standards@us.af.mil or AFLCMC/EN Engineering Standards, Bldg 28 Rm 118, 2145 Monahan Way, WPAFB, OH 45433-7017.

SAE AS681K provides the method for presentation of gas turbine engine steady-state and transient performance calculated using computer programs. It also provides for the presentation of parametric gas turbine data including performance, weight, and dimensions computed by computer programs. This document may be obtained from www.sae.org, CustomerService@sae.org, or SAE International, 400 Commonwealth Drive, Warrendale PA 15096.

SAE AS681K superseded previous versions of SAE AS681 on 6 June 2016 and should be used instead previous versions.
