NOTICE—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

This military standard is approved by the Department of Defense and is mandatory on all activities. Selection for all new engineering and design applications and for repetitive use shall be made from this document.

FED. SUP CLASS
6640

MS36313-1

MS36313-2

PART NUMBER	APPROXIMATE DIMENSIONS inches			
	FRAME DIAMETER	HANDLE LENGTH	BAG DIAMETER	BAG LENGTH
MS36313-1	12	36	12	28
MS36313-2	(netting bag only)		12	28
