PAGE 29

6.3.4, line 15, delete: "Category E, Form 2" and substitute "Category A, Form 3".

6.3.5, delete entire paragraph and substitute:

"6.3.5 Submission of contractor designs for approval. All submitted designs shall identify the defect(s) the equipment has been designed to check by referencing the applicable five digit code number, contained in Section 4 of this specification, and the appropriate component or assembly drawing number to which the specific design applies. Unless otherwise specified on the EL, all designs and subsequent design changes of equipment for inspection of defects classified as critical and major shall be submitted for approval to the address specified in the contract. Design review will be completed normally within one month after receipt of the design. All other designs of inspection equipment shall be approved by the inspection element of the agency administering the contract; submission shall be as directed by the contracting officer. Partial submission of inspection equipment designs is permissible and encouraged. However, completion date for design review will be based on the date of the final submission of designs."

6.4, delete second and third sentences.

PAGE 29/30

NOTICE, delete entire "NOTICE" paragraph.

PAGE 30

The "MU" after Army Custodian and Preparing Activity should be deleted and replaced by "MI".

*NOTE: The margins of this amendment are marked with an asterisk to indicate where changes from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship of the last previous amendment.

Custodian:
Army-MI

Preparing Activity:
Army-MI
