* Delete old drawing numbers and substitute new drawing numbers wherever they appear in this specification as follows:

"OLD DWG. NO.	NEW DWG. NO.
11927086	11722522
11927087	11722975
11927088	11723137
11927090	11723116".

* 3.3: Delete in its entirety and substitute:

"3.3 Density booster pellet. The density of the booster pellet shall be 1.55 - 1.68 g/cc."

The margins of this amendment are marked with an asterisk of vertical lines to indicate where changes (additions, deletions, modifications, corrections) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
