COMMERCIAL ITEM DESCRIPTION

FLURBIPROFEN TABLETS

The General Services Administration has authorized the use of this Commercial Item Description.

Salient Characteristics:

Shall be Flurbiprofen Tablets.

All ingredients shall be of a pharmaceutical grade.

Strength:

1. 50 mg

2. 100 mg

The tablets shall assay to contain the labeled amount of Flurbiprofen within the applicable assay limits for the tablets.

Each tablet shall be marked/embossed with a product identification code to identify the active ingredient(s), strength, and manufacturer. The materials used in marking/embossing the dosage forms shall be acceptable to the FDA. The actual code used for the product shall be left to the discretion of the supplier.

Check the source to verify that this is the current version before use.

Workmanship. The tablets shall be free from defects which detract from their appearance or impair their serviceability.

Unit.

For Size I - Bottle (BT). One bottle containing 100 tablets, as specified, constitutes one unit. Bottle shall be supplied with a child-resistant safety closure and shall have a minimum height of 51 mm base to shoulder.

For Size II - Bottle (BT). One bottle containing 500 tablets, as specified, constitutes one unit.

For Size III - Package (PG). One package containing 100 unit dose tablets, as specified, constitutes one unit.

Contractor certification. The contractor shall certify and maintain substantiating evidence that the product offered meets the salient characteristics of this Commercial Item Description, and that the product conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug, and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statues, ordinances, and regulations.
