COMMERCIAL ITEM DESCRIPTION

BROOM, PUSH, VEGETABLE FIBER

The General Services Administration has authorized the use of this commercial item description by all federal agencies.

1. SCOPE

1.1 Scope. This commercial item description covers a push broom head, without handle, for use in sweeping rough surfaces such as warehouse floors and sidewalks.

2. SALIENT CHARACTERISTICS

2.1 Material.

2.1.1 Vegetable fiber. The fiber shall be round rattan fiber, palm fiber, palmyra stalks, bass fiber, or mixture. The fibers shall be 1/8 ±1/32 inch (0.318 ±0.08 cm) in diameter.

2.1.2 Block. The block shall be wood commercially utilized for this purpose. The wood shall be free from all defects and shall be smoothly finished.

2.1.3 Wire. The wire used for staple setting the fiber shall be corrosion resistant steel or steel plated to resist corrosion, and shall be a minimum of 0.0475 inch (0.121 cm) in diameter.

2.2 Construction. The wood shall be smoothly finished. The block shall have two holes for the handle, one on each side, equidistant from the ends. The handle holes shall be tapered to fit a 1-1/8 inch (2.86 cm) diameter handle that tapers to an end diameter of 3/4 inch in 3 inches (1.9 cm in 7.62 cm). The block shall be produced from one or two pieces of wood. If the block is made from two pieces the pieces shall be securely glued together with glue that is not water soluble, with the seam smoothly sanded prior to coating. The block shall be coated with a permanent protective coating. The block shall be 16 inches (40.6 cm) long, 3-1/2 inches (8.4 cm) wide, 1-5/16 inches (3.33 cm) thick, all minimums. There shall be a minimum of 58 holes for the fiber, each a minimum of 5/8 inch (1.59 cm) deep. Each broom shall have a minimum of 24-1/2 ounces (694 g) of fiber. The fiber shall be 6 inches (15.24 cm), minimum, clear of the block. The finished broom shall be evenly cut. Each block shall be permanently marked with the National Stock Number (NSN) and the manufacturer's trade mark or name.

2.3 Workmanship. The finished brooms shall be clean and free from any defects that may affect the serviceability, durability, or appearance, and shall be of a quality equal to the manufacturers best commercial product.

2.4 Metric products. Products manufactured to metric dimensions will be considered on an equal basis with those manufactured using inch-pound units, providing they fall within the tolerances specified and all other requirements of this document are met.

Beneficial comments, recommendations, additions, deletions, clarifications, etc. and any data which may improve this document should be sent to: General Services Administration, Engineering Group (7FXEE), 819 Taylor Street, Fort Worth, TX 76102

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

2.5 Commercial item. The use of the term "commercial item" in this document does not imply that any item or items offered are not required to conform with all requirements specified herein.

3. REGULATORY REQUIREMENTS.

3.1 Regulatory requirements. The offeror/contractor is encouraged to use recovered materials to the maximum extent practicable, in accordance with paragraph 23.403 of the Federal Acquisition Regulation (FAR).

4. QUALITY ASSURANCE PROVISIONS

4.1 Product conformance. The products provided shall meet the salient characteristics of this CID, shall conform to the producer's own drawings, specifications, standards, and quality assurance practices, and shall be the same product offered for sale in the commercial market. The government reserves the right to require proof of such conformance.

5. PACKAGING, PACKING AND MARKING

5.1 Packaging, packing and marking. The packaging, packing, and marking shall be as specified in the contract or order.

6. NOTES

6.1 Ordering data. Purchasers should include the following information in procurement documents:

a. Title, number and date of this commercial item description.
b. The preservation, packing, and marking desired.

6.2 National Stock Number (NSN): NSN 7920-00-267-2967 is the only known item to reference this document.
