AA-O-230/7a
INT. AMENDMENT-1 (GSA-FSS)
November 15, 1966

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

OFFICE FURNITURE: TYPEWRITER STAND, EXECUTIVE OFFICE, WOOD, TRADITIONAL

(DETAILED SPECIFICATION)

This interim amendment was developed by Standardization Division, Federal Supply Service, General Services Administration, Washington, D C 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification AA-O-230/7a, dated October 7, 1964.

Page 2, paragraph 3.3.3, line 11: After "properly filled." delete remainder of paragraph and substitute "There shall be a full length filler 3/4 inch by 2 inches wide fitted between the posts and glued and screwed to the outside end panel. The back panel will extend to the bottom of the cabinet."
