INCH-POUND

K-P-146E
INTERIM AMENDMENT 1 (GL)
October 10, 1990

FEDERAL SPECIFICATION

TARPAULINS, COTTON DUCK, FWWMR

This interim amendment was developed by the U.S. Army Natick Research, Development, and Engineering Center, Natick, MA 01760-5014, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to K-P-146E, dated February 13, 1979.

PAGE 2
