QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION
TT-E-527D
Enamel, Alkyd, Lustreless, Low VOC

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not imply endoresment of the product by the Government. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. The activity reponsible for this Qualified Products List is: General Services Administration, Paints and Chemicals Center, Federal Supply Service, Attn.: 10FTE, 400 15th St. SW, Auburn, WA 98001-6599.
