Qualified Products List of Products Qualified Under Federal Specification TT-E-529G

Enamel, Alkyd, Semi-Gloss, Low VOC Content

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by the Department of Defense. All products listed herein **have been** qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

The activity responsible for this Qualified Products List is: General Services Administration, Federal Supply Service, Paints and Chemicals Center, Engineering and Commodity Management Division, 10 FTE, 400 15th St. SW, Auburn, WA 98001-6599.
