# QUALIFIED PRODUCTS LIST

OF

FSC 5133

## PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION

GGG-D-751

## DRILLS, TWIST (TAPER-SQUARE, STRAIGHT, AND TAPER-ROUND SHANKS)

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the contractor from compliance with the specification requirements.

The activity responsible for this Qualified Products List is USA Belvoir Research, Development and Engineering Center, ATTN: STRBE-JC, Fort Belvoir, VA 22060-5606.
