# INTERIM AMENDMENT

# TO

# FEDERAL SPECIFICATION

# TALCUM POWDER

This interim amendment was developed by the General Services Administration, Federal Supply Service, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification U-T-30C, dated September 24, 1975.

## PAGE 1

Paragraph 2.1: Change title of Federal Specification PPP-B-566 to read "Boxes, Folding, Paperboard".

## PAGE 2

Under "Laws and Regulations", change title of 21 CFR 1 to read: "Regulations for the Enforcement of the Food, Drug and Cosmetic Act and the Fair Packaging and Labeling Act."

Paragraph 2.2: Under "National Motor Freight Classification", change "Tariff Order Section" to read "Traffic Department".

Add new reference:

Cosmetic, Toiletry and Fragrance Association Specification:

Cosmetic Talc (10-7-76)

(Application for copies should be addressed to: The Cosmetic, Toiletry and Fragrance Association, Inc., 1133 15th Street, NW, Washington, DC 20005.)

Delete reference to the Pharmacopeia of the United States.

Paragraph 3.1: line 1: After "powdered" add "cosmetic grade".

Table I: Change maximum weight percent retained on No. 200 US Standard Sieve from "3.0" to "3.6".

Paragraph 3.2: After "borates" add "when tested as specified in 4.3.5".

Paragraph 3.7: Delete.
