COMMERCIAL ITEM DESCRIPTION

HANDLE, INSTRUMENT TRAY

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers a handle suitable for lifting handled instrument trays from sterilizers.

Salient characteristics:

The unit shall be a stainless steel handle which provides extra extension when lifting handled instrument trays from sterilizers without imbalance or difficulty.

The handle shall be American Iron and Steel Institute (AISI) 300 series corrosion-resisting steel, properly hardened and passivated.

The lifting handle shall have a U-shaped design with a cross bar and two J-shaped hooks. Width between hooks shall be approximately three inches.

The lifting handle shall have a No. 4 commercial finish or better.

The lifting handle shall be designed to withstand crazing, cracking, distortion or other deterioration during normal use for the entire life of the handle.

Any welding shall be durable, sound in every detail, free of cracks, porosity, and other defects, and in accordance with the latest practices recommended by the American Welding Society.

The handle shall be free from burrs or sharp edges.

Workmanship. The instrument tray handle shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). One package containing two lifting handles, as specified, constitutes one unit.

AMSC N/A FSC 6530

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

6530-01-166-9518

Ordering data. Intermediate/exterior package quantities, labeling, and marking must be specified in the contract and/or order.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
