INTERIM AMENDMENT

TO

INTERIM FEDERAL SPECIFICATION

CONDUIT, METAL, RIGID: AND COUPLING, ELBOW,
AND NIPPLE, ELECTRICAL CONDUIT: ALUMINUM

This Interim Amendment was developed by Federal Supply Service, General Services Administration, Washington, D. C. 20405, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for change to the preparing activity at the address shown above.

The General Services Administration has authorized Federal agencies to use this Interim Amendment as a valid exception to Interim Federal Specification WW-C-00540c, May 15, 1967.

PAGE 2

Delete paragraph 3.3.4 Military Agencies. Each length of conduit, nipple and elbow or bend shall be marked in accordance with Military Standard MIL-STD-130.
