1. SCOPE

1.1 Purpose. This standard establishes the commercial trailers and semitrailers for procurement by the Department of Defense.

1.2 Application. Procurement of commercial trailers and semitrailers shall be confined to those listed herein. Requisitions addressed to the departmental inventory manager for commercial trailers and semitrailers other than those listed herein shall be accompanied by an explanation as to why one of the units covered by this standard cannot be used. In the event of conflict between this standard and the procurement specifications, the requirements of this standard shall govern.

2. REFERENCED DOCUMENTS

2.1 The issues of the following documents in effect on the date of invitation for bids form a part of this standard to the extent specified herein.
