QUALIFIED PRODUCTS LISTS OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION MIL-P-38268

AURAL PROTECTOR, SOUND

This list has been prepared for use by or for the Goverment in the procurement of products covered by the subject specification and such listing of a product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

The products listed below have been qualified only for use under the requirements for the product as specified in the stated issues of the specification.

The activity responsible for the Qualified Products List is Warner Robins Air Logistics Center/MMTRC, Robins Air Force Base GA 31098-5609.
