COMMERCIAL ITEM DESCRIPTION

PROMETHAZINE HYDROCHLORIDE, IPECAC FLUIDEXTRACT, AND POTASSIUM GUAIACOLSULFONATE ELIXIR

The General Services Administration has authorized the use of this commercial item description in preference to MIL-P-37714(DSA-DM).

This commercial item description covers Promethazine Hydrochloride, Ipecac Fluidextract and Potassium Guaiacolsulfonate Elixir, for use as an expectorant and an antitussive.

Salient characteristics:

Shall be a palatable elixir containing in each 5 ml:

Promethazine Hydrochloride	5 mg
Fluidextract Ipecac	0.01 ml
Potassium Guaiacolsulfonate	44 mg
Citric Acid, Anhydrous	60 mg
Sodium Citrate	197 mg

in a suitable base containing 7 percent Alcohol.

The elixir shall assay to contain not less than 90.0 percent and not more than 110.0 percent of the required amount of Promethazine Hydrochloride and Potassium Guaiacolsulfonate when determined by a suitable, accurate and reproducible method(s).

The elixir shall assay to contain not less than 6.3 percent and 7.7 percent of alcohol by volume when determined by a suitable, accurate and reproducible method.

The specific gravity of the elixir shall be not less than 1.24 and not more than 1.32 at 25°C, when determined using the USP method.

The pH of the undiluted elixir shall be not less than 4.70 and not more than 5.20 at 25°C, when determined using the USP method.

Shall be supplied in a bottle with child-resistant safety closure and minimum height of 48 mm base to shoulder.

Shelf life/expiration dating period/delivery. Not less than 32 months of the expiration dating period shall remain at time of delivery to the Government.

Workmanship. Elixir shall be free from defects which detract from its appearance or impair its serviceability.

Packaging and packing quantities. One bottle (BT), as specified, constitutes one unit. Intermediate and exterior package quantities shall be as specified in the contract or order.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices, and is the same as the product sold in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.
