COMMERCIAL ITEM DESCRIPTION

ESTROGENS, CONJUGATED, CREAM, VAGINAL

The General Services Administration has authorized the use of this commercial item description in preference to MIL-E-37226.

The Commercial Item Description covers Estrogens, Conjugated, Cream, Vaginal, for use in vaginal estrogenic therapy.

Salient characteristics:

Shall be a cream composed of water-soluble conjugated estrogens in a non-liquefying base, along with a suitable preservative, containing 0.625 mg of estrogens in each gram, within the applicable assay limits.

Estrogens contained in this product shall be obtained from natural sources only (equine).

Not less than 20 months of the expiration dating period shall remain at time of delivery to the Government.

Workmanship. Cream shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). Shall be supplied 1-1/2 oz. (42.55 gram) in a tube, together with a suitable vaginal applicator (calibrated from 1 to 4 grams). One package containing one tube and one applicator, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.
