PAGE 8

* Delete "Low level life: Applicable." and substitute "Logic level life: Applicable."

PAGE 9

Terminal identification: Delete "Circuit schematic shall be marked on the plug-in module."

The margins of this amendment are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notation and relationship to the last previous issue.
