Z-A-612
CANCELLATION
June 22, 1984

FEDERAL SPECIFICATION

APPLES, DEHYDRATED (LOW MOISTURE)

This cancellation was approved by the U.S. Department of Agriculture.

Federal Specification Z-A-612D, Apples, Dehydrated (Low Moisture), dated August 23, 1978, is hereby canceled without replacement due to insufficient procurement use. It is recommended that the U.S. Standards for Grades of Dehydrated Apples (Low Moisture) be referenced in procurement documents for this item.
