Z-P-665
CANCELLATION
June 22, 1984

FEDERAL SPECIFICATION

PRUNES, DEHYDRATED (LOW MOISTURE)

This cancellation was approved by the U.S. Department of Agriculture.

Federal Specification Z-P-665A, Prunes, Dehydrated (Low Moisture), dated August 10, 1961, is hereby canceled without replacement due to insufficient procurement use. It is recommended that the U.S. Standards for Grades of Dehydrated (Low Moisture) Prunes be referenced in procurement documents for this item.
