TELEPHONE ORDER ENTRY SYSTEM (TELESPECS)

The fastest and most accurate way to obtain documents "as needed" is through TeleSpecs. This automated system is your direct connection to the Navy Print on Demand System (NPODS). Telespecs eliminates mail and handling delays and puts in total control of the documents request process. TeleSpecs requires only a touch-tone phone, and utilizes an easy-to-use automated voice-prompt system.

Telespecs is designed to accept document orders in groups of five. If you wish to order more than five different documents, please stay on the line, and TeleSpecs will allow you to order additional documents. Keep in mind that a single document order may contain a request for up to five copies of that document at no cost to you.

TeleSpecs is "open for business" from 7:00 A. M to 10:00 P.M.(Eastern Standard Time), Monday through Friday, and has twelve telephone lines to serve you:(215)-697-1187 thru 1198.

DESIGN MANUALS AND NAVFAC P-PUBLICATIONS
