DATA ITEM DESCRIPTION

Title: WELDER PERFORMANCE QUALIFICATION AND TRAINING PROGRAM

Number: DI-MISC-81940A
AMSC Number: N10464
DTIC Applicable: N/A
Preparing Activity: AS
Applicable Forms: N/A

Approval Date: 20240408
Limitation: N/A
GIDEP Applicable: N/A
Project Number: MISC-2024-004

Use/relationship: NAVSEA S9074-AQ-GIB-010 248 Section 5 establishes the criteria for qualification and testing of welders and weld operators. Each Contractor, Sub-contractor, or welding entity performing welding on items governed by this document shall establish that each welder and welding operator to be employed for welding has been qualified by demonstrating their ability to produce welds, which meet the requirements of this section.

This DID contains the format, content, and intended use information for the data product resulting from the work task described in the contract Statement of Work (SOW).

This DID supersedes DI-MISC-81940.

Requirements:

1. Reference Documents.

1.1. NAVSEA S9074-AQ-GIB-010 248

1.2. NAVSEA T9074-AS-GIB010/271.

2. Format. Contractor format.

3. Content.

3.1. Title Page, containing the following:

3.1.1. Title/identification of the system/component/program/project.

3.1.2. Title of CDRL and CDRL number.

3.1.3. Contract number.

3.1.4. Preparing activity or contractor's title.

3.1.5. Security classification, when required.

3.1.6. Distribution Statement.

3.2. Table of Contents
