DATA ITEM DESCRIPTION
Title: NATIONAL VOLUNTARY LABORATORY ACCREDITATION PROGRAM (NVLAP) ASSESSMENT REPORTS

Number: DI-PSSS-82392
AMSC Number: N10344
DTIC Applicable: No
Preparing Activity: SH
Applicable Forms: N/A

Approval Date: 20220830
Limitation: N/A
GIDEP Applicable: No
Project Number: PSSS-2022-011

Use/Relationship: The National Voluntary Laboratory Accreditation Program (NVLAP) Assessments Reports and accompanying documentation will be used by the Government to develop the Naval Nuclear Propulsion Program (NNPP) Management System. A Management System is required in order to comply with the International Organization for Standardization (ISO) 17025 Section 8.

This Data Item Description (DID) is applicable to dosimetry contracts that require Assessment Reports prior to delivery. This DID is consistent with ISO 17025 as this document contains the requirements for National Voluntary Laboratory Accreditation Program (NVLAP) accreditation.

This DID contains the format and content preparation instructions for the data product generated by the discrete Contract Line items as delineated in the contract Statement of Work.

Requirements:

1. Reference Documents: ISO 17025 Section 8

2. Format:

   a. Assessment narratives, checklists and National Voluntary Laboratory Accreditation Program (NVLAP) correspondence are per National Voluntary Laboratory Accreditation Programs (NVLAP) format.

   b. Comment and non-conformity resolution documentation shall be in the contractor's format.

3. Content: The National Voluntary Laboratory Accreditation Program (NVLAP) Assessment Reports shall contain the following content:

   a. The assessment report shall consist of any narrative, checklists, and comment and non-conformity resolution.

   b. Resolutions will include all response, feedback and decisions by National Voluntary Laboratory Accreditation Program (NVLAP) related to the comment or non-conformity.

   c. Comment and non-conformity resolution documentation for dosimetry systems unrelated to the system selected by the Navy Nuclear Propulsion Program (NNPP) do not require provision.

End of DI- PSSS-82392
