PPP-B-636J
INT. AMENDMENT-2(GL)
August 26, 1986

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

BOXES, SHIPPING, FIBERBOARD

This intermin amandment was developed by the U.S. Army Natick Research, Development and Engineering Center, Natick, MA 01760-5014, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to PPP-B-636J, dated June 12, 1981.

PAGE 1
