SUPERSEDING
INTERIM AMENDMENT-3
January 4, 1971

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

BOXES, FIBERBOARD, CORRUGATED, TRIPLE-WALL

This interim amendment was developed by the Federal Supply Service, General Services Administration, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification PPP-B-640D, dated July 29, 1966.

PAGE 2

Paragraph 3.1.2, add the following: "The facings and corrugating media shall be made from virgin and reclaimed fibers having qualities for the fiberboard to comply with the requirements of this specification."

PAGE 5
