FEDERAL SPECIFICATION

BEADS (GLASS SPHERES) RETRO-REFLECTIVE

Federal Specification TT-B-1325C dated June 1, 1993, has an erroneous grade requirement in 5.1.1. Delete the first sentence of 5.1.1 and replace with:

"The glass beads shall be furnished in 23 kilogram (fifty pound) or 25 kilogram (fifty five pound) quantities in a shipping sack meeting the requirements of Federal Specification UU-S-48F, Type VI, Style B, MB Grade 3, Sack No. 13X."
