4.3.1 Delete and substitute the following:

"4.3.1 First article samples. Unless otherwise specified, as soon as practicable after the award of the contract or order, the manufacturer shall submit four 18-inch length hose assemblies of each size for which first article inspection is required. The samples shall be representative of the construction, workmanship, components, and materials to be used during production. When a manufacturer is in continuous production of these units from contract to contract submission of further first article samples on the new contract may be waived at the discretion of the procuring activity (see 6.2). Approval of first article samples or the waiving of first article inspection does not preclude the requirements of submitting to the quality conformance inspection. The first article samples shall be furnished to the Government as directed by the contracting officer (see 6.2). The samples shall be plainly identified by securely attached durable tags marked with the following information:

Samples submitted by (name) (date) for first article inspection in accordance with the requirements of MIL-H-22343A(AS) under Contract No. _____."
