FEDERAL SPECIFICATION

SETSCREWS

This cancellation was approved by the Commissioner, Federal Supply Service, General Services Administration, for the use of all Federal agencies.

Federal Specification FF–S–103a, dated October 7, 1958, has been superseded by Federal Specification FF–S–200, Setscrews; Hexagon Socket and Spline Socket, Headless, dated August 27, 1963, and Federal Specification FF–S–210, Setscrews; Square Head and Slotted Headless, dated August 27, 1963.

NOTE.—Copies of cancellation bearing symbol "FS–S–103a", dated August 27, 1963, should be destroyed and this copy, with correct symbol "FF–S–103a", substituted therefor.
