MILITARY SPECIFICATION

MIRROR ASSEMBLY, REARVIEW: AUTOMOTIVE
EXTERIOR MOUNTING

This amendment forms a part of Military Specification MIL-M-46728C, dated 25 July 1983, and is approved for use by all Departments and Agencies of the Department of Defense.

PAGE 4

3.1, delete and substitute:

"3.1 First article. Unless otherwise specified (see 6.2), the contractor shall furnish four mirror assemblies which shall be subjected to first article inspection (see 4.3). First article inspection samples, properly marked with identifying information, shall be representative of the unit to be furnished to the Government. All subsequent mirror assemblies delivered to the Government shall conform to these samples in all their pertinent physical and performance attributes."

4.3, delete and substitute:

"4.3 First article inspection. Unless otherwise specified (see 6.2), the Government shall select four mirror assemblies produced under the production contract for first article inspection. First article samples shall be inspected as specified in table I. Approval of the first article sample by the Government shall not relieve the contractor of his obligation to supply mirror assemblies that are fully representative of those inspected as a first article sample. Any changes or deviation of the production units from the first article sample shall be subject to the approval of the contracting officer."

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

4.3.1, delete and substitute:

"4.3.1 First article inspection failure. Test item deficiences during, or as a result of, the first article test shall be cause for rejection of the items until evidence has been provided by the contractor that corrective action has been taken to eliminate the deficiency. Any deficiency found during, or as a result of, the first article test shall be evidence that all items already produced prior to completion of the first article test are similarly deficient unless contrary evidence satisfactory to the contracting officer is furnished by the contractor. Such deficiencies on all items shall be corrected by the contractor. The Government will not accept products until first article testing is completed to the satisfaction of the Government."
