C-H-571
CANCELLATION
June 22, 1984

FEDERAL SPECIFICATION

HONEY, EXTRACTED

This cancellation was approved by the U.S. Department of Agriculture.

Federal Specification C-H-571C, Honey, Extracted, dated November 4, 1976, is hereby canceled without replacement due to insufficient procurement use. It is recommended that the U.S. Standards for Grades of Extracted Honey be referenced in procurement documents for this item.
