INCH-POUND

NOTICE
OF CANCELLATION

MIL-E-45829A(MU)
NOTICE 2
29 September 1993

MILITARY SPECIFICATION

Electrode, Welding, Copper, Silicon-Deoxidized,
Solid, Bare

Military Standard MIL-E-45829A(MU), dated 19 January 1970, is hereby canceled. Future acquisitions for this material should refer to the appropriate portions of ANSI/AWS A5.7, entitled; "Specification for Copper and Copper Alloy Bare Welding Rods and Electrodes".

(Application for copies of ANSI puplications can be obtained from the American National Standards Institute, 1430 Broadway, New York, New York 100018)

NOTE: When using ANSI/AWS A5.7-84 for procurements, the purchaser should select the preferred tests, options, and inspection requirements as offered in the body of this document. These requisites, along with the DOD Agency's selected supplementary tests, options and requirements, shall then be included in the procurement documents with justification only on the basis of need.
