"2. APPLICABLE SPECIFICATIONS, STANDARDS AND OTHER PUBLICATIONS"

Page 1, paragraph 2.1. Delete and substitute:

"2.1 Specifications and Standards. — The following specifications and standard, of the issues in effect on date of invitation for bids, form a part of this specification:

Federal Specifications:

SS–R–406—Road and Paving Materials; Methods of Sampling and Testing.
PPP–D–729 — Drums: Metal, 55-Gallon (for Shipment of Noncorrosive Materials).

(Activities outside the Federal Government may obtain copies of Federal Specifications, Standards, and Handbooks as outlined under General Information in the Index of Federal Specifications, Standards, and Handbooks and at the prices indicated in the Index. The Index, which includes cumulative monthly supplements as issued, is for sale on a subscription basis by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

(Single copies of this specification and other product specifications required by activities outside the Federal Government for bidding purposes are available without charge at the General Services Administration Regional Offices in Boston, New York, Atlanta, Chicago, Kansas City, Mo., Dallas, Denver, San Francisco, Los Angeles, Seattle, and Washington, D. C.

(Federal Government activities may obtain copies of Federal Specifications, Standards, and Handbooks and the Index of Federal Specifications, Standards, and Handbooks from established distribution points in their agencies.)

Military Standard:

MIL–STD–129—Marking for Shipment and Storage.

(Copies of Military Specifications and standards required by contractors in connection with specific procurement functions should be obtained from the procuring activity or as directed by the contracting officer.)

Page 2. Delete 2.2 and substitute:

2.2 Other publications.—The following publications form a part of this specification. Unless otherwise indicated, the issue in effect on date of invitation for bids shall apply:

Uniform Freight Classification Rules.

(Application for copies should be addressed to the Official Classification Committee, 1 Park Avenue at 33rd Street, New York 16, New York.)

National Motor Freight Classification Rules.

(Application for copies should be addressed to the American Trucking Association, 1424 16th Street, NW, Washington, D. C.)
