SS-C-466
CANCELLATION
October 3, 1985

FEDERAL SPECIFICATION

CLOTH, THREAD, AND TAPE; ASBESTOS

This cancellation is approved by the Assistant Administrator, Office of Federal Supply and Services, General Services Administration.

Federal Specification SS-C-466E, dated July 2, 1964, is hereby canceled.

Form I is replaced by the American Society for Testing and Materials (ASTM) Standard D 1571, Woven Asbestos Cloth.

Forms II and III have no replacements.

Form IV is replaced by the American Society for Testing and Materials (ASTM) Standard D 315, Woven Asbestos Tape.

The American Society for Testing and Materials Standards adequately cover the requirements for these materials.
