SS-J-570B
Interim Amendment-1
October 23, 1984

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

JOINT COMPOUNDS AND TAPE, WALLBOARD (FOR GYPSUM WALLBOARD CONSTRUCTION)

This interim amendment was developed by the General Services Administration, Office of Federal Supply and Services, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to SS-J-570B, dated August 9, 1977.

PAGE 3

Paragraph 3.2 Add last sentence, "Tape shall be asbestos free".
