DETAIL SPECIFICATION SHEET

CONNECTION, AIRCRAFT GROUND AIR CONDITIONING, 5 INCH

This specification is approved for use by all Departments and Agencies
of the Department of Defense.

NOTES:

1. Dimensions are in inches.

2. This is a design standard. Not used as a part number.

3. Certain provisions of this specification are the subject of international standardization agreement NATO STANAG 3208. When amendment, revision, or cancellation of this specification is proposed which will modify the international agreement concerned, the preparing activity will take appropriate action through international standardization channels, including departmental standardization offices to change the agreement or make other appropriate accommodations.
