ISO 19111

ADOPTION NOTICE

ISO 19111, “Geographic Information – Spatial Referencing by Coordinates” was adopted on 22 May 2008 for use by the Department of Defense (DoD). Proposed changes by DoD activities must be submitted to the DoD Adopting Activity: National Geospatial-Intelligence Agency (NGA), National Center for Geospatial Intelligence Standards, Mail Stop P-106, 12310 Sunrise Valley Drive, Reston, VA 20191-3449, or ncgis-mail@nga.mil.

The applicable version of the standard to be used for procurement is defined in the DOD Information Technology Standards Registry (DISR) at https://disronline.disa.mil/

Copies of the standard are available from the American National Standards Institute (ANSI) at: http://webstore.ansi.org/ansidocstore/default.asp

Custodians	Adopting Activity
Army – TI	NGA - MP
Navy – NO	
Air Force – 09	
DISA – DC2	(Project GINT-2007-010)

NOTE: The activities listed above were interested in this document as of the date of this document. Since organizations and responsibilities can change, you should verify the currency of the information above by using the ASSIST Online database at http://assist.daps.dla.mil
