DATA ITEM DESCRIPTION

Title: TRAINING DEVICE INTERIM SUPPORT REPORT (TDISR)

Number: DI-MGMT-81997
AMSC Number: N9588
DTIC Applicable:
Preparing Activity: AS
Applicable Forms: N/A

Approval Date: 20150930
Limitation:
GIDEP Applicable:
Project Number: MGMT-2015-023

Use/relationship:

The Training Device Interim Support Report will be used to document contractor support provided during interim periods such as Contractor Field Support (CFS), Interim Contractor Support (ICS) or Contractor Logistics Support (CLS) that are included in a training device delivery order as a limited support period used to transfer support responsibility to long term support constructs.

Data documented includes maintenance data to predict future requirements, part failure data, part relationship to the training device, contractor's time distribution, work accomplished, on-the-job training provided, technical data provided and relationship of support to delivered technical data package.

This DID contains the format, content, and intended use information for the data product resulting from the work task described in the solicitation.

Requirements:

1. Reference documents: None

2. Format. Contractor format acceptable.
3. Content. The shall include the following;
   - 1.1. General report identification;
     - 1.1.1. Report Title.
     - 1.1.2. Contractor name.
     - 1.1.3. Contractor Commercial and Government Entity (CAGE) code.
     - 1.1.4. Contract Number.
     - 1.1.5. Submission Date.
     - 1.1.6. Report Number. Number reports sequentially throughout support period.
     - 1.1.7. Dates of support covered by report.
     - 1.1.8. Training Device Name.
     - 1.1.9. Training Device Number.
     - 1.1.10. Training Device Location.
     - 1.1.11. Names of contractor personnel providing support.
     - 1.1.12. Clearance, type of investigation and status date for personnel.

   - 1.2. General Device data;
     - 1.2.1. Number of hours training device available for training.
     - 1.2.2. Number of hours training device in use for training.
     - 1.2.3. Number of hours training device down for scheduled/planned maintenance.

1.2.4. Number of hours training device down for unscheduled maintenance.
1.2.5. Number of unscheduled maintenance/technical assistance events.

1.3. Scheduled/planned maintenance log broken down by day;
1.3.1. Number of hours expended performing scheduled/planned maintenance.
1.3.2. Reference to maintenance actions performed in Training Device's technical documentation.
1.3.3. Consumables used.

1.4. Unscheduled maintenance log broken down by event.
1.4.1. Unscheduled maintenance event date and time.
1.4.2. Training event.
1.4.3. Training event duration.
1.4.4. Number of hours expended performing unscheduled maintenance.
1.4.5. Reference to maintenance actions performed in Training Device's technical documentation.
1.4.6. Parts data for parts replaced or serviced;
1.4.6.1. Part Number.
1.4.6.2. Reference Designator.
1.4.6.3. CAGE Code of Manufacturer.
1.4.6.4. Manufacturer Part Number.
1.4.6.5. Part's retail cost from manufacturer.
1.4.6.6. Serial Number of removed part.
1.4.6.7. Number of hours removed part was in use.
1.4.6.8. Description of part failure cause.
1.4.6.9. Identifier if part will be returned to stock.
1.4.6.10. Part servicing activity.
1.4.6.11. Date part returned to stock/service or estimated return date.
1.4.6.12. Warranty information on part.
1.4.6.13. Spares information if part replaced from spares inventory.
1.4.6.13.1. Serial number of part used from spares stock.
1.4.6.13.2. Serial number of part returned to spares stock.
1.4.6.13.3. Date part returned to spares stock or estimated return date.
1.4.6.13.4. Number of hours of use for part returned to spares stock.
1.4.6.13.5. Warranty information for part returned to spares stock

1.5. On-the-job training/Technical assistance data broken down by day or event
1.5.1. Number of hours expended either providing On-the-job training, or technical assistance.
1.5.2. Description of event.
1.5.3. Description of On-the-job training or technical assistance provided.
1.5.4. Reference to applicable section of Training device technical documentation
