INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

INSECTICIDE, DDT

This interim amendment was developed by General Services Administration, Federal Supply Service , Washington, D. C. 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification O-I-514A, dated November 12, 1968.

PAGE 3

Paragraph 4.1.1 - delete and substitute:

4.1.1 Sampling for tests. A lot shall be 50,000 pounds ± 5,000 pounds. The Government representative shall take a one pound random sample from each lot offered by the manufacturer. All samples shall be taken from filled shipping containers. The lot shall be unacceptable if the sample fails to meet any test requirements.

Paragraph 4.1.3 - delete.
