Delete paragraph 4.4.1.3 entirely.

PAGE 13

Add paragraph 4.8 as follows:

4.8 CERTIFICATION: A certificate of compliance shall be acceptable as proof that the product being offered meets the requirements of Table II, provided the contractor furnishes actual test results, acceptable to the Government, indicating that tests have been performed to substantiate the certification. The certification shall state that the tests described in paragraphs 4.5.2.2, 4.5.2.3, 4.5.2.4, and 4.5.2.5, have been performed on products manufactured from the same material and manufacturing process of the items being offered and that any proposed changes in material or process will be promptly reported to the Government. The Government reserves the right to require additional testing and certification by the contractor when such changes are made or when otherwise deemed necessary.
