Paragraph 3.2.1, delete "The tabulating paper shall be free from polychlorinated biphenyls (PCB's). As evidence of compliance, the contractor shall submit a certificate stating that the paper contains no polychlorinated biphenyls. (See 4.2.1)." and substitute "No polychlorinated biphenyls (PCB's) shall be added or used during the manufacture of the paper or in any coating operation on the base paper. As evidence of compliance, the contractor shall submit a certificate stating that no polychlorinated biphenyls have been added or used during the manufacturing or converting operations. (See 4.2.1)."

Paragraph 3.3.1.1, delete last sentence, "Perforation cuts shall not intersect cuts in horizontal perforations."

PAGE 6

Add new paragraph:

"4.2.1 Evidence of compliance. In lieu of using his own facilities, the contractor may submit a report of analysis of component materials from a laboratory acceptable to the Government whether an independent test facility or the laboratory of the raw material supplier, as evidence of compliance with the specification requirements. The report of analysis shall include, in addition to the actual test data, the manufacturer's name, name and address of the testing laboratory, date of test, and quantity of material represented by the test report. Where certification of compliance or reports of analysis are submitted, the Government reserves the right to check test such items to determine the validity of the certificate or analysis."
