5.5 Ammunition data cards.: Delete this paragraph in its entirety and substitute: "**5.5 Ammunition data cards.** When specified in the contract or purchase order (see 6.2), one ammunition data card prepared in accordance with MIL-STD-1167 shall be placed in the top of each pack (see 5.1). If the shipping containers are closed as soon as the primers are packed in them the ammunition data cards may be placed inside the packing list envelopes and affixed externally between the two ribs on the outer circumference of the container. Five cards shall be forwarded to the contracting activity, and twenty shall go to the ammunition depot receiving the primers. For Navy acquisitions, two data cards shall also go to each of the activities listed in 6.6 (see 6.3)."
