QUALIFIED PRODUCTS LIST

PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-S-23190

STRAPS, CLAMPS, AND MOUNTING HARDWARE, PLASTIC AND METAL FOR CABLE HARNESS TYING AND SUPPORT

This list has been prepared for use by or for the Government in the acquisition of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

THE ACTIVITY RESPONSIBLE FOR THIS QUALIFIED PRODUCTS LIST IS THE NAVAL AIR SYSTEMS COMMAND, (NAVAIR), Code 4.5.6.1. The NAVAIR representative is currently located at the Naval Air Warfare Center, Aircraft Division, Code 45600C77DAL/MS77, 6000 E. 21st Street, Indianapolis, IN 46219-2189.

Questions concerning this QPL may be directed to the Hughes Technical Services Company, CNE550/MS60, 6125 E. 21st Street, Indianapolis, IN 46219-2058.

See end of this QPL for full name, address and plant locations, and CAGE number of the listed Manufacturers.

AMSC N/A
Distribution Statement A. Approved for public release; distribution is unlimited.

FSC 5975

For the sake of brevity, part number designations are displayed & interpreted as shown.

MS25281-	F2 thru F5	XXXX	2 thru 5

The matrices generate the following fictitious part numbers:

MS25281-F2	XXXX -2
-F3	-3
-F4	-4
-F5	-5

Note- For all part number listings on this QPL:

* The asterisk will be replaced by the color designation, except the -0 (Black) which will be qualified and listed separately. Only straps in natural and black colors shall be stocked by the Government.

CLASS 2 PRODUCTS

(1) Class 2 products are for original equipment installations or high production situations only.

(2) When a military procurement activity receives a military part number request for Class 2 products, the procurement activity must procure suitable Class 1 replacement products in lieu of the Class 2 items.

(3) A class 2 part is ordered by the manufacturers part number. Only that particular manufacturer's approved Class 2 Tool can be used with the Class 2 part.

(4) Class 2 products will not be stocked by the Defense General Supply Center for replacement purposes.

(5) Class 2 products do require qualification approval. Copies of the Qualifying Activity's approved part number listing must be obtained from the manufacturer. Class 2 products have the same periodic qualification requirements as Class 1 products. A verbal confirmation of a manufacturer's qualification reference number for particular Class 2 products may be obtained from the Qualifying Activity: Telephone (317) 306-7028 or Autovon 369-7028.

(6) For information purposes, Class 2 products are listed below by military standard for each approved manufacturer.
