GGG-H-142e
INTERIM AMENDMENT - 1(NAVY-Ships)
September 13, 1967

FEDERAL SPECIFICATION

HELMET, CONSTRUCTION WORKER'S

This interim amendment forms a part of Federal Specification GGG-H-142e, dated June 6, 1967. It was developed by the Department of the Navy, Naval Ship Engineering Center, for immediate use pending the inclusion of its contents in a coordinated document.

Page 4, paragraph 3.6.2: Add at end of paragraph: "Disengagement of headband from the crown suspension under impact test (see 4.5.3) shall not be cause for rejection. The foregoing shall apply when headband is a replaceable unit and connection of crown suspension to helmet shell is not affected by removal of the headband."
