HH-T-791
CANCELLATION
DECEMBER 14, 1984

FEDERAL SPECIFICATION

TUBE; FLEXIBLE, NONMETALLIC, ELECTRICAL

This cancellation is approved by the Assistant Administrator, Office of Federal Supply and Services, General Services Administration.

Federal Specification HH-T-791C, dated April 14, 1965, and Reinstatement Notice, dated October 11, 1979, is superseded by Underwriters Laboratories Standard No. UL 3 - Flexible Nonmetallic Tubing for Electric Wiring.

Underwriters Laboratory Standard No. UL 3 has been adopted by GSA-FSS and DoD.
