4.4.3, delete and substitute the following:

"4.4.3 Group C inspection. Group C inspection shall be performed in accordance with table V of MIL-S-19500 except that it may be performed at an interval which is established by the production and shipment of 300 or fewer units since the previous QCI. It shall be completed prior to the production and shipment of 500 units. Electrical measurements (end-points) and delta requirements shall be in accordance with the applicable steps of table V herein."

6.2, delete and substitute the following:

"6.2 Acquisition requirements. Acquisition documents must specify the following:

a. Issue of DODISS to be cited in the solicitation.

b. Lead finish as specified (see 3.3.1).

c. Type designation and quality (JAN) level."

6.3, delete and substitute the following.

"6.3 Structural identity. For the purpose of Quality Conformance Inspection the MIL-S 19500/440 (JANTX2N5927) and the MIL-S-19500/447 (JANTX2N5926) are considered to be structurally identical."
