PAGE 21

5.2.1, delete and substitute:

"5.2.1 Precautionary Markings.

5.2.1.1 Unit Markings. Both Type I and II, Class 1, Component A unit containers shall contain the following precautionary marking: "WARNING! COMBUSTIBLE." Both Type I and II, Class 1, Component B containers shall contain the following precautionary marking: "WARNING! FLAMMABLE". Both Type I and II, Class 2, Component A and B unit containers shall contain the following precautionary marking: "WARNING! FLAMMABLE". All unit containers of toxic and hazardous chemicals and materials shall also be labeled in accordance with the applicable laws, statutes, regulations or ordnances, including Federal, State and Municipal requirements. In addition, unit containers (including unit containers that serve as shipping containers) shall be marked with the applicable precautionary information detailed in ANSI Z 129.1.

5.2.1.2 Intermediate and Shipping Container Marking. Intermediate and shipping containers shall contain the following precautionary marking: "WARNING! FLAMMABLE". Shipping containers shall be marked in accordance with Department of Transportation regulations as specified in 49 CFR 171-178 and shall bear the "Flammable Liquid" red label as specified therein. All intermediate containers of toxic and hazardous chemicals and materials shall also be labeled in accordance with the applicable laws, statutes, regulations or ordnances, including Federal, State and Municipal requirements. In addition, intermediate containers shall be marked with the applicable precautionary information detailed in ANSI Z 129.1."
