INTERIM COMMERCIAL ITEM DESCRIPTION

MASK, FACE, ASEPTIC (Isolation)

The General Services Administration has authorized the use of this interim commercial item description which was developed by the Veterans Administration Marketing Center, Marketing Division for Medical Supplies (904A), P.O. Box 76, Hines, Illinois, 60141, based upon currently available technical information.

This commercial item description covers an isolation mask (one-time-use) to be used by patients and hospital personnel.

Salient characteristics. Mask, Face, Aseptic, (isolation) disposable, 7 inches plus or minus 1/2 inch long, 3-1/2 inches plus or minus 3/8 inch wide, lightweight fabric, glass-free, 95% filtration efficiency, full pleating (3), aluminum nosepiece (not exposed), bonded (not sewn), earloops, yellow. For use one time by patients and hospital personnel, 500's.

Metric products. Products manufactured to metric dimensions will be considered on an equal basis with those manufactured using inch-pound units, providing they fall within the tolerances specified using conversion tables contained in the latest revision of Federal Standard 376, and all other requirements of this document are met.

If a product is manufactured to metric dimensions and those dimensions exceed the tolerances specified in the inch/pound units, a request should be made to the contracting officer to determine if the product is acceptable.

The contracting officer has the option of accepting or rejecting the product.

Contractor certification: The contractor shall certify that the product offered meets the salient characteristics of this description, and conforms to the producer's own drawings, specifications, standards and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements

Federal Food, Drug and Cosmetic Act - If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials - The offeror/contractor is encouraged to use recovered material in accordance with Public Law 580, as amended and as implemented by Federal Acquisition Regulation 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking - Unless otherwise specified, preservation, packaging and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE. The following National stock Number is covered by this document:
